

Dear Valued Client

With the National Lockdown announced last night, we would like to ensure our commitment to you our customer.

Wildpeach will be open until lockdown comes into effect and will be online to assist you remotely during the lockdown period.

For the safety of Brettenwood residents and the Wildpeach staff we will not have any staff onsite during lockdown, we will come out for total network outages or emergency's only.

Fault reporting for anyone in need of assistance from Wildpeach during Lockdown can contact us on one of the following options:

1. support@wildpeach.co.za - you are welcome to send us an email with your fault description and home address, you will receive a response from Blessing or Kreesen.
2. **032 525 3109** – A voice mail service has been setup for all calls which allow residents to leave a voice message with their fault description, this automatically gets emailed to Blessing and Kreesen who will respond to you
3. **082 923 6088** – Wildpeach mobile number which you may sms or call, this is answered by Blessing or Kreesen,

Take care and stay safe
